

SPYHOUSE

COFFEE SHOP

How to Submit your Artwork:

The Spyhouse reviews submissions for exhibitions featuring solo artist and group shows. Due to the restrictions of the space, we exhibit only two-dimensional work.

If selected, we will contact you with more specific information involving your exhibition (installing, price lists, promotional materials, etc.). The Spyhouse does not retain commission on works sold. The Spyhouse schedules the space three to six months in advance, allowing for artist preparation.

In order to be considered for an exhibition, the following is required:

- *6-10 digital images on disc or slides of artwork (prints are also accepted).*
- *Image description sheet: title, size, medium, year*
- *Current contact information (name, phone, address, and e-mail address)*
- *List of previous exhibitions.*
- *An artist statement (optional).*
- *If you wish to have materials returned, you MUST include a SASE (self-addressed stamped envelope) with the correct postage. We will not hold materials to be picked up.*

Please allow at least three weeks to hear our decision about your submission. Thank you!
